	Stay on the B7076, heading north and passing through Fleming Kirkpatrick, Kirtlebridge, Ecclefechan, and the outskirts of Lockerbie until the junction with the A701 at Beattock N.B. There's a right turn onto the B723 just to the south of Lockerbie but you're only on this for 200m or so, and at the next roundabout follow the B7076 instead of taking the B723 into the centre of Lockerbie		
Beattock	Turn right for Moffat on the A701, passing under the M74	41.0	66.0
Moffat	The Moffat Best Pizza and Kebab House is at the far end of the High Street, on the right hand side	44.2	71.1

Cramond	Over a mini roundabout, and right at the traffic lights onto Cramond Road North.	99.8	160.7

### Facilities

Carlisle – the usual shops, garages and supermarkets, though nothing immediately adjacent to Bitts Park. There's an Asda supermarket on the left just before the M6, but it closes at 10pm on a Saturday.

You pass the Annandale Services immediately after Johnstonbridge at Junction 16 of the M74 (35.5 miles / 57.1 km).

Moffat – there's an Esso garage as you reach the town centre, on the right side of the road, and open 24hrs

There is quite a gap (46 miles!) of absolutely no facilities. Everything will be closed up until you reach the outskirts of Edinburgh (an Esso garage at Hillend just before the bypass). Please be self-sufficient and pack everything that you might need – clothes, food, lights / batteries, and spares for the bike.
